

National Stage Entry of PCT/JP03/13081  
Preliminary Amendment

REMARKS

Applicant notes that the Japanese word for "sulfonate" was misspelled in certain places of the original International Application. However, the English translation of the International Application contains the correct English word "sulfonate". Nevertheless, in this Preliminary Amendment, the occurrences of the incorrectly spelled "sulfonate" (in the International Application) are indicated by underlining the word "sulfonate".

Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,

*Darryl Mexic Apr 28, 2005*
